

“Tiger Packs” Feed ‘em like tigers!

Thank you for supporting Erie UpLink’s Tiger Packs program. Tiger Packs are food-filled backpacks sent home with students from Erie schools with non-perishable, kid-friendly food items to supplement children’s healthy diets over the long weekend or holiday break. At this time, to assure student safety, we are using disposable bags and delivering to student’s doorsteps. Families request Tiger Packs based upon their financial need for food assistance.

Needed for each Tiger Pack: Please assure expiration dates are at least 6 months from the time of packing.
